

JACKSON WALKER LLP

Dallas, Texas

LIGHTING CASE STUDY

Complete exterior signage design, build, and install for Jackson Walker's new downtown Dallas office.

CHALLENGE

When Jackson Walker, one of the most prestigious law firms in Texas, needed a new sign on the exterior of their new office building in downtown Dallas, they turned to FSG.

SOLUTION

FSG designed, built and installed Jackson Walker's new sign on the 11th floor of the brand new KPMG building in the arts district in downtown Dallas. In addition to the new sign, FSG also did the electrical work, lighting, and audio-visual design and installation for their new three story space. In the end, Jackson Walker was happy with all the work FSG performed and continue to be a valuable FSG customer.
